Hello...Welcome to the club!

We are sure that you'll love being apart of the Spoonerhythm Network. Please don't hesitate to send along your ideas, suggestions, and feedback on articles that we present to you as the year goes by.

Your membership will last one year from the date that you joined, as indicated on your membership card. We will notify you when your membership is up, so don't worry, we'll make sure that you don't miss one bit of Spoons information. Along with your initial membership package, you will receive newsletters throughout the year, included in the newsletters will be pictures of the Spoons and articles written by the band members. The newsletters will also include Spoons activities and press updates, and we'll try to supply you with concert dates where ever possible.

We would like to thank you for all your letters, and you can be sure that your letter will be read by one of the Spoons, if not all of them. If it is addressed to a band member in particular, it automatically goes right to them. If you don't get a reply to your letter, please don't be discouraged. The Spoons have tried in the past to personally answer all of the letters they receive even if it is just a short note thanking you for writing. The band is continually busy doing things like interviews with media, writing and rehearsing new material for upcoming albums, performing and doing instore appearances so they can meet you. As you can see with all this to do and more, they have little time left for their family and friends. But Gord, Sandy, Derrick, and Rob love to hear from you and want to know that all their hard work in getting their music out to you is appreciated.

Don't forget that the Spoons merchandise is available year 'round from the Spoonerhythm Network, as long as quantities last, and we're sure you'll be more than pleased with the items you order.

Thanks for joining, and remember...TELL NO LIES
